

# HEAR US OUT !

---

The best for the best.

## **What's in it for you ?- A BUSINESS WIN and A PERSONAL WIN.**

- **Competitive Edge:** Once a customer lands at your doorstep, our product can make an immediate impression to show superior value and quality compared to the competition. That's how we make your investment worthwhile and our INSPECTION services are value added benefits of this investment. We have our own inspection team on the ground to ensure that we align product quality to fit your market needs.
- **Supply Chain consistency:** We provide flexible sourcing from clusters of global suppliers who drive innovation in the industry, and minimize lead times for the replenishments of orders. We don't sell you our agendas or volumes. We help you keep your supply chain flexible, innovation consistent, minimize lead times and therefore minimize stock outs.
- **Diversified Product Innovation:** We offer a diverse range of products- Granite, Quartz and Porcelain from the leading innovators in India and SE Asia. We have been doing this for 25 years now and are fully equipped with skills, services, feet on the ground and collaborative supplier partnerships to help you stay ahead of the curve when it comes to innovation.
- **Minimize risk:** The products that we introduce to you are tried and tested in various markets in the US. These are colors that are selling well based on feedback from clients (leading distributors, fabricators, retailers and brands in the industry) and suppliers alike. Our suppliers are OEMs/ partners with industry leading brands globally. Our goal is to help mitigate any chances of unforeseen slow moving inventory.

**Through this consistency we deliver peace of mind as a consequence of understanding your Business as a friend and helping you grow.**
